

> | HD-P

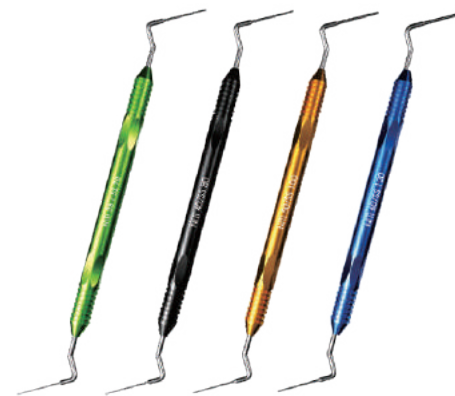

- 35/70
- 40/80
- 50/100
- 60/120

Material: Aluminium alloy handle; Ni-Ti working part or stainless steel working part.

Package: 1 piece per box

Advantages:

- ISO sizing and tapering, ISO color coded
- Conical tip and flat tip, ideal for both lateral and vertical compaction of gutta-percha
- Smooth surface, not stick the fillings when pressing
- Aluminum alloy handle, light weight and greater oxidation resistance
